

Minuteman Missile National Historic Site

Revolutionizing Distance Learning

A distance learning connection with Minuteman Missile NHS will provide an enhanced teaching activity. Interactive ranger programs right to your classroom!

- Activities will support State and National curriculum standards.
- Launch Control Facility Delta-01 and Launch Facility Delta-09 offer a unique window into the “top-secret facilities” which protected the United States during the Cold War
- Access to the first and so far only Cold War structures protected by the National Park Service as a National Historic Site
- Educational activities suited to the needs of each classroom
